A Note Regarding Planners and School-Home Communication:

Students will be given an HLS student planner on the first day of school. The planner is our main tool communication between school and home. Students will write all homework and quizzes/tests dates in the planner every day. Parents will see a space in the top corner to initial every night. Please check your student's planner daily. Important papers/school communication will be put in the inside left pocket of the white binder. The planner and binder are to go home every day. **Parents must check the test section every day and sign any graded work. Students must return signed work the next day of school. Please place signed work in the front left pocket.** As always, please email Dr. Johnson if you have any questions.
